**Maureen Wimberly Groer, Croer, Groer : Advanced Pathophysiology: Application to Clinical Practice** before purchasing it in order to gage whether or not it would be worth my time, and all praised Advanced Pathophysiology: Application to Clinical Practice:

This clinically focused text presents pathophysiology of the diseases and disorders most commonly treated by primary care providers. Each chapter includes the most current information about pathophysiologic bases for presenting symptoms, differential diagnoses, and treatment. Well developed, complex case studies are analyzed in terms of

pathophysiology of treatment, and include pharmacokinetics
