Un excelente libro de consulta By Mimayo Compr este libro para mi esposo que es especialista en el tema, l est muy contento, de los tres libros que pedimos sobre el tema l manifiesta que ste es el mejor, el ms claro, un libro que es de obligatoria tenencia. Yo por mi parte estoy feliz de verlo contento y

satisfecho, espero poder comprar el segundo volumen para I. No conozco del tema, pero al escuchar a mi esposo, no cabe duda que es una muy buena adquisicin. Adems es de pasta dura, el formato no es tan grandey lleg en perfecto estado.
