**Frederic H. Martini, Kathleen L. Welch : AP Applications Manual** before purchasing it in order to gage whether or not it would be worth my time, and all praised AP Applications Manual:

0 of 0 people found the following review helpful. Five StarsBy Where A. Promise CureExactly what I expected

This manual contains extensive discussions on clinical topics and disorders to help students apply the concepts of anatomy and physiology to daily life and their future health professions. Can be packaged for free with the textbook.
