**Edward J. Hanrahan, Gangadhar Madupu : Appleton and Lange's Review of Epidemiology and Biostatistics for the USMLE** before purchasing it in order to gage whether or not it would be worth my time, and all praised Appleton and Lange's Review of Epidemiology and Biostatistics for the USMLE:

0 of 0 people found the following review helpful. Nice, Concise, and Easy to ReadBy Lisa CarlisleNICE. Concise easy to read. Definitely got my brain ready for the prev med board review (biostats). I am board certified in Occupational and Environmental Medicine and needed this for my board recertification test.0 of 0 people found the following review helpful. okBy Tarpon Springs FL.not real long but def enough to pass biostats0 of 0 people found the following review helpful. SatisfiedBy thereaderSatisfied

Review in outline format of epidemiology and statistics for medical students preparing for board examinations.  
DNLM: Epidemiology examination questions.
