From Fong I W Alibek Kenneth Alibek Ken : Bioterrorism and Infectious Agents: A New Dilemma for the 21st Century (Emerging Infectious Diseases of the 21st Century) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bioterrorism and Infectious Agents: A New Dilemma for the 21st Century

(Emerging Infectious Diseases of the 21st Century):

0 of 0 people found the following review helpful. I bought it for a college classBy Dee-nuhIt arrived in perfect condition and fairly quickly. It was helpful in my research project and it cited everything in text making it easy to cross reference.

Compiled by two leading experts in the field, this volume provides a concise, timely, and authoritative review of some of the most problematic infections of the new century. It presents issues and new ideas for preventing and controlling infectious diseases.
