Breath Sounds Made Incredibly Easy is an entertaining, practical, and informative reference that includes an audio CD of breath sounds for those who must accurately interpret breath sounds and understand their implications, diagnosis, and treatments. Revealing the importance of accurate breath sound interpretation, this Incredibly Easy title walks the

reader through more than 50 breath sounds. The book includes an audio index and cues to the CD sounds throughout the text that allow the reader to listen to the sounds sequentially with the book or review them out of sequence.
