Peggy A. Houglum PT PhD ATC, Dolores B. Bertoti MS PT : Brunnstrom's Clinical Kinesiology (Clinical Kinesiology (Brunnstrom's)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Brunnstrom's Clinical Kinesiology (Clinical Kinesiology (Brunnstrom's)):

0 of 0 people found the following review helpful. Five StarsBy L Ryanas described0 of 0 people found the following review helpful. I like the organization of chapters in this bookBy QuizIf you are a beginner with no background in kinesiology and physics, you may have difficulty in understanding some concepts. This book's illustration seems to be confusing too. But, I like the organization of chapters in this book.0 of 0 people found the following review helpful. Excellent compendium of the topic on kinesiologyBy Carmen E. LpezExcellent compendium of the topic on kinesiology, the best book about this topic and excellent to be use for teaching.

A classic reborn for its Golden Anniversary. Now celebrating its 50 years in print, this text has held onto the foundation of its great success, while also being re-invented for today's audience. The focus of this text remains the practical instruction of functional anatomy in order to quickly, and convincingly, guide readers to its use in professional performance. This text is filled with modern applications that will show your students the relevance of foundational material to their future careers. An all-new author team of expert instructors Peggy Houglum and Dolores Bertoti, a brand-new, full-color design, and new learning and teaching resources online at DavisPlus all make the field's gold standard more valuable than ever as it prepares readers to apply theory to clinical practice.
