Patricia J. Neafsey : Case Mysteries in Pathophysiology before purchasing it in order to gage whether or not it would be worth my time, and all praised Case Mysteries in Pathophysiology:

6 of 6 people found the following review helpful. They look good but without the answers I don't know if I'm ...By Carla HurlbertThey look good but without the answers I don't know if I'm reviewing these correctly. Didn't need for class only wanted as extra study help.0 of 0 people found the following review helpful. Five StarsBy WayneAs expected0 of 0 people found the following review helpful. Cool bookBy Stacykins34Fun and exciting mysteries that as I'm figuring them out Learn about the chapters we are going over at the same time! Yay!

Case Mysteries in Pathophysiology, second edition is intended for health science students eager to use their knowledge of anatomy, physiology, and pathophysiology in clinical applications. This book offers opportunities to apply critical thinking skills to case studies. Three-hole drilled, shrink wrapped.
