Inc. BarCharts : Circulatory System Advanced (Quick Study: Academic) before purchasing it in order to gage whether or not it would be worth my time, and all praised Circulatory System Advanced (Quick Study: Academic):

Our new guide on the circulatory system, illustrated by accomplished anatomical artist Vincent Perez, includes in-depth coverage of veins and arteries, including depictions over and under transparent bone to better expose the system around the head, neck, and heart, as well as separate views of major organs and extremities. From teachers and students of anatomy, to medical professionals and therapists, this guide is perfect for your medical study or practice.
