W. John Spicer MBBS(Melbourne) FRACP FRCPA FACSHF FASM DTMH(Sydney) DipBact(London) :
Clinical Bacteriology, Mycology and Parasitology: An Illustrated Colour Text, 1e before purchasing it in order to
gauge whether or not it would be worth my time, and all praised Clinical Bacteriology, Mycology and Parasitology: An
Illustrated Colour Text, 1e:

A volume in the Illustrated Colour Text series, this book presents both the basic principles of microbial infection and a

short systematic treatment of the organisms and the diseases caused by infection. Concludes with a section on the general principles of the control and treatment of infection. Bacteria, fungi, and protozoa are covered. Information is presented in a highly accessible form, using a double-page spread for each topic with graphics, summary boxes and tables.
