Joanne Willey, Linda Sherwood Adjunct Professor Lecturer, Christopher J. Woolverton Professor : Connect Access Card for Microbiology before purchasing it in order to gage whether or not it would be worth my time, and all praised Connect Access Card for Microbiology:

0 of 0 people found the following review helpful. Worked great! Extremely helpful with slimming down the reading - ...By Leah SimantelWorked great! Extremely helpful with slimming down the reading - this textbook is incredibly dense and, quite frankly, boring.I really appreciated having a Connect code to narrow down what I needed to focus on for the exams. The practice questions have been helping me on quizzes in my class, as well.Highly recommend! 5/51 of 1 people found the following review helpful. Please contact me I would like my money backBy RuthThe code did not work and I had to repurchase through the school! Please contact me I would like my money back!!!!!!0 of 0 people found the following review helpful. Great price!By CustomerWorked perfectly! This was such a great price too. My bookstore was trying to charge \$120 for the same code! Definitely recommend buying this

McGraw-Hill Connect is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to

Connect includes the following: SmartBook - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content. Access to your instructor homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course. Progress dashboards that quickly show how you are performing on your assignments and tips for improvement. The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping. Complete system requirements to use Connect can be found here: <http://www.mheducation.com/highered/platforms/connect/training-support-students.html>
