3 of 3 people found the following review helpful. great chartBy Kathy ChicThis chart is really beautiful,the illustrations and labels are clear and it provides alot of information , will be using this regularly when studying .2 of 2 people found the following review helpful. Easy for a young person to get the key points/learn ...By Ronda BarmoyUtilized for a Kingergarten science fair display on Teeth/health. Easy for a young person to get the key points/learn about teeth/mouth, etc and interesting to adults. Laminated, wipes clean, good size for viewing and portability. Could be utilized over and over. Would be great for older students, dental hygiene students, public health programs or dental offices.0 of 0 people found the following review helpful. Five StarsBy michael a lynchIts all in

your mouth.

Loaded with beautifully illustrated diagrams clearly and concisely labeled for easy identification. Illustrations by award-winning medical illustrator Vincent Perez.
