Sue E. Huether RN PhD, Kathryn L. McCance RN PhD : Elsevier Adaptive Learning for Understanding Pathophysiology (Access Card), 5e before purchasing it in order to gauge whether or not it would be worth my time, and all praised Elsevier Adaptive Learning for Understanding Pathophysiology (Access Card), 5e:

Corresponding chapter-by-chapter to Understanding Pathophysiology, 5e, Elsevier Adaptive Learning combines the

power of brain science with sophisticated, patented Cerego algorithms to help you learn faster and remember longer. Its fun; its engaging; and its constantly tracking your performance and adapting to deliver content precisely when its needed to ensure core information is transformed into lasting knowledge. An individual study schedule reduces cognitive workload and helps you become a more effective learner by automatically guiding the learning and review process. The mobile app offers a seamless learning experience between your smartphone and the web with your memory profile maintained and managed in the cloud. UNIQUE! Your memory strength is profiled at the course, chapter, and item level to identify personal learning and forgetting patterns. UNIQUE! Material is re-presented just before you would naturally forget it to counteract memory decay. A personalized learning pathway is established based on your learning profile, memory map, and time required to demonstrate information mastery. The comprehensive student dashboard allows you to view your personal learning progress.
