Charles H. Hennekens, Julie E. Buring : Epidemiology in Medicine before purchasing it in order to gage whether or not it would be worth my time, and all praised Epidemiology in Medicine:

4 of 4 people found the following review helpful. Great book!By J ChenI use it for my epidemiology class. I prefer this book to the other textbook by Rothman because it is clear and more systematic. Also, it is easy to read.0 of 0 people found the following review helpful. Great price and good condition.By travelfreeGreat price and good condition. A good guide of epidemiology that explains the basic concepts very clearly.0 of 0 people found the

following review helpful. Three StarsBy BrandaIts a small, straight to the point textbook, but i just wonder if it is really exhaustive...
